

Acrolight Pictures: Pricing

Filmmaker — \$2199

Perfect for the filmmaker on a budget who needs a really great trailer. This is the trailer, delivered with separate M&E (music & effects) stems, and titled/no-title versions. It includes

- Market research
- Dynamic positioning
- Complete editing
- Sound design
- Copywriting
- Title design
- Music design
- Royalty FREE music, with worldwide license
- License if outside royalty free music is used
- Audio mastering
- 2.0 delivery of dialogue, effects, and music stems
- Title/no title versions of picture
- YouTube/web compression
- 2 rounds of revisions (see revision policy)
- Music Cue Sheet
- Signed Composers Agreement (from Tom Getty)
- 3 months of storage

- I will store all materials involved in the project for up to 3 months. This allows the buyer to come back—up to three months—to purchase additional changes, make re-deliveries, etc.

- 5.1 Sound Delivery

- I will produce a 5.1 audio mix of the trailer and include it in the deliverables, if needed, and upon request.

Misc Pricing

- Modification Package — \$75.00

All clients are welcome to purchase a modifications package that enables anyone to make unlimited revisions/tweaking on their own. This package includes—

- ****Unmixed**** dialogue, effects, and music stems for complete audio editing

- XML file of edit list
- After Effects/Motion File (if used/available)
- (1) Round of Revisions — \$850 (see revision policy)
- (1) New Draft — \$1000 (see revision policy)
